

Technoline WS 9632 Weather Man Forecast Station

Product Images

Short Description

A very popular weather forecaster - good fun but with a purpose.

Just like the forecast icons, the Weather Willie man uses the barometric trend to tell him what to wear.

Description

“Wetter Willie” as he is known in Germany, is a popular take on the traditional weather house, with a digital version of the weatherman who removes clothing depending on the weather forecast.

Key Features

- Weather forecast icons and tendency indicator
- Weatherman feature with 15 different outfits
- Indoor temperature in °C and °F and % humidity
- Outdoor temperature in °C and °F
- Max and min temperature & humidity since last reset
- Radio-controlled time from DCF77 clock with alarm and time zone offset
- Table Standing or Wall Hung
