

FCC Hinged Door Cast Brass Marine-grade Barometer 115mm diameter)

Product Images

Short Description

Quality, heavy cast brass case fitted with rubber sealing ring to prevent moisture entering the mechanism.

Overall dimension: 115mm

Dial: 75mm

Description

Brass marine Barometer. Precision aneroid Barometer.

Quality, heavy cast brass case fitted with rubber sealing ring to prevent moisture entering the mechanism.

Barometer case is lacquered and varnished giving a highly polished appearance that will not corrode in a marine environment.

Hinged door design makes easy access to instrument for calibration without having to remove the barometer from the bulkhead.

Supplied with three brass screws for flange mounting.

Matching Clock, Hygrometer/Thermometer and Tide Clock available.
