

FCC Chrome Clock with Hinged Door - Marine Quality (11.5cm)

Product Images

Short Description

Hinged Door Chrome Clock. 115mm in Diameter.

Description

Chrome marine clock. Quality, heavy cast brass case which has been beautifully chromed to the highest standard. Lacquered and varnished giving highly polished appearance. Will not corrode in marine environment. Fitted with rubber sealing ring stops moisture migrating to mechanism. Quartz driven. Hinged door design allows simple access to alter clock time and fit new battery. No need to remove clock from mounting.

Classic ships cabin clock. Quality nautical clock for boat or home.

Dimensions: 115mm overall, with 75 mm dial.
