Davis Connect Data Plan - 5 Minute Upload Interval

Product Images

Short Description

Vantage Connect requires a service plan and a one-time activation fee of £30 ex VAT.

Description

This plan offers an update interval of 5 minutes.

This price quoted is for 12 months of data uploads.

Vantage Connect requires a service plan and a one-time activation fee of £30 ex VAT.

Additional Information

| Brand | Davis Instruments |
|-------------|--|
| Explanation | Notes All Gateways and Nodes within a network must use the same update interval. Annual service plans are billed as a System service charge that combines a Gateway and network of Nodes. Gateway services are billed at time of activation. All plans are billed on the anniversary of the Gateway activation date. |
