

Oregon Scientific PCR800X Rain Gauge for WMR Series

Product Images

Short Description

Replacement rain gauge for WMR Weather Stations.

Description

Replacement rain gauge for WMR Weather Stations.

The PCR800X Rain Gauge wirelessly sends rainfall data to your Oregon Scientific Weather Station. It can be added as an additional sensor or as a replacement rain gauge for WMR200 / WMR100 / WMR89 / WMR88 / WMR86 / WMR80 weather stations.

NOT for use with WMR300, WMR112, WMR928 or WMR968.
