# Oregon Scientific PCR800X Rain Gauge for WMR Series

## Product Images

---

## Short Description

---

Replacement rain gauge for WMR Weather Stations.

## Description

---

### Replacement rain gauge for WMR Weather Stations.

The PCR800X Rain Gauge wirelessly sends rainfall data to your Oregon Scientific Weather Station. It can be added as an additional sensor or as a replacement rain gauge for WMR200 / WMR100 / WMR89 / WMR88 / WMR86 / WMR80 weather stations.

NOT for use with WMR300, WMR112, WMR928 or WMR968.
