

Weather Watchers 3-Year Log Book

Product Images

Short Description

This book allows you to record your daily observations and then compare over a 3-year period.

Description

This handy log book allows you to record daily weather observations in as much or as little detail as you like. Weekly and monthly averages can be calculated and compared to the same period over a three-year span. Is this Autumn as wet as it seems? What was the hottest day of the year? Is it likely to freeze again, or should the roses be pruned now?

Fascinating weather facts and photos are also included, along with extreme weather records and an explanation of weather forecasts.

Additional Information

Brand	ACCUR8
Explanation	<p>This fully-illustrated record book is packed with facts, figures and information, including how to measure and observe the weather, how to identify different cloud types, plus explanations on how clouds are formed along with other weather phenomena. Is spring really coming earlier each year? Is this year really hotter than last? What was the coldest day in your year?</p> <p>An excellent log book from the Royal Meteorological Society.</p>
