

Davis Console 6351UK for Vue

Product Images

Short Description

Additional or Replacement console for Davis Vantage Vue Weather Stations.

Description

Additional or Replacement console for Davis Vantage Vue Weather Stations. Use more than one console for viewing the weather in multiple rooms.

The Davis Vantage Vue Console is loaded with features, including a backlit LCD screen and glow-in-the-dark keypad that makes viewing weather data easy, day or night. The unique 'weather center' feature allows you to view multiple screens of weather data simply and quickly.

Additional Information

Country of Manufacture	United States
