15 Inch

Short Description

Extra-large 15" LCD display with extra-large font. Easy to read from across room.

Day & Date.

Mains powered.

20+ reminder alarms with on-screen text.

Wall mounting or table standing.

Description

Time, day, date, alarms

Offers a range of digital and analogue clock displays

Mains powered (don't worry, if there is a power cut, all settings including the time and alarms will be retained until the power comes back on).

Can be operated with the included remote control

Wall mounting or table standing. (Has a sturdy fold out arm at the rear so it sits securely on a table top or can be hung on a wall).

The ports on the side of the clock are:

- SD memory card slot for displaying photos and videos
- Two different-sized USB sockets for either displaying photos and videos from a portable USB drive, or as an alternative power supply socket
- Headphone out socket
- Power supply socket for included 3 pin UK power adaptor.
