# **DISCONTINUED: BAR208**

#### **Product Images**

## **Short Description**

This new BAR208 'white version' includes Temperature, Humidity, Weather/Ice Alert & moonphase.

#### **Description**

This Forecaster with Weather Alert combines a weather forecast with temperature and humidity, a radio controlled clock and calendar.

The unit indicates with an LED when frost is likely and gives a warning message for Heat/Fog/Frost/Storm/Wind.
